Hon. Theo C. Bilbo
Senator for Mississippi
Washington, D. C.

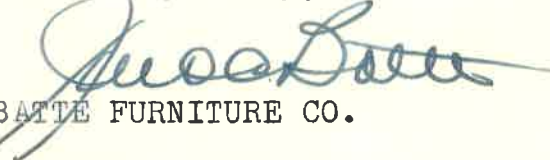

Dear Senator Bilbo:

I notice where you have introduced a bill prohibiting the Federal Government from issuing liquor license in dry states. I hope you will approve the ammendment that has been added to permit a \$1,000. fine on a holder of a license.

This is a good piece of constructive legislation and one I think that most of the people of Miss. will heartily endorse.

With kindest personal regards, I am

Yours very truly,
